**It is the contractor's responsibility to contact the City when the job has been completed to disconnect services. The contractor will be responsible for all charges incurred until the City receives notice to cancel service.**

**By signing this application, I acknowledge and understand that failure to pay the water bill by the due date will incur a late fee. If the water bill is not paid within 15 days of the due date, services will be discontinued.**

**These services are for temporary utilities only, to allow the construction or remodeling of a building, or to repair, remodel, or clean an existing building. The "address of services" can't be occupied for any reason. If it is discovered that the building is being occupied, all services will be disconnected immediately.**
